Special Thanks to the West Lafayette School Corporation

Many programs and activities are conducted at various schools in the City of West Lafayette. Our special thanks to the West Lafayette School Corporation, Board of Education, faculty and staff for their cooperation and support.

AQUATICS

Splash Bash!

IT'S TIME TO CELEBRATE SUMMER!

Join us at the pool as we celebrate the end of school and the beginning of summer vacation at the municipal pool.

We'll be playing music and enjoying the last day of school. Admittance is only \$1.00 on this special day.

Friday, May 28, 1:00 - 4:00 pm

City Municipal Pool

(Located behind Happy Hollow School)

Come on in, the water's fine! We offer a wonderfully wet schedule to help cool the summer heat! Recreational swimming is offered daily throughout the summer. Look for our brightly colored flag, located by the front of the tennis courts. When the pool is open the flag will be flying. The pool hours are subject to change due to weather and low attendance.

- Children under 10 must be accompanied by a responsible person, 14 or older. All patrons are urged to read the rules which are posted at the pool.

-No Floats - For safety reasons, flotation devices are not allowed in the West Lafayette Municipal Pool except in the smaller wading pool, medium size pool and by people with disabilities.

The "No Flotation Device" policy is enforced because over-dependence on the reliability of flotation devices can be dangerous to the less-experienced swimmer. While the policy does not apply to the wading or medium pools, parents and guardians are strongly encouraged to watch their children at all times while they are in any of the pools. The only exception to the flotation device ban in the regular swimming pool is for individuals with disabilities. The West Lafayette Parks & Recreation Department will also make any other accommodations that may be necessary for individuals with disabilities to ensure their enjoyment of our facilities and programs.

FUN FOR TEENS & KIDS

Playground Program - Summer Day Camp

Kids, we offer a fun place for you to get involved in a wide range of activities. We'll play organized games inside and out. Twice a week we will work on arts and crafts projects. Our playground is a "drop-in" variety; that you can come and go as you wish. Attendance is not mandatory, but you are encouraged to come all day. The playgrounds are closed on Friday afternoons and over the lunch hour from Noon-1:00 pm. Our playgrounds close at 4:00pm. Your parents should make arrangements to ensure your safety in returning home. Join to play games and add to your summer friends.

Beginning Fencing

Would you like to try an Olympic sport? Are you fascinated by swashbuckling heroes like Luke Skywalker, Zorro, and the three musketeers? Do you wish you could be the sword-swinging video game hero in real life? Challenge yourself mentally and physically in one of the world's safest sports with a world-class instructor. Gain confidence, self esteem, get great exercise, improve posture, learn the historical roots of the sword, and experience the joy of Olympic swordplay. Learn the art of fencing here in West Lafayette, and let your adventure begin! Class participants will be asked to wear sneakers, socks, and long pants. Equipment purchase is necessary. Checks for equipment should be made out to River City Fencing. Call Dr. Paul Geraci at 765-490-9349 for more information.

Who Needs a Pencil?

Have you ever drawn bigger than you are! Have you ever drawn outside? Do you want to try something that's too messy to do at home? This week long workshop is for kids who are excited to try things and experiment with their creativity to see what happens! Artist wanting a challenge will be able to explore different techniques and interpret new points of view. We will do fascinating new projects each day! We will be using a variety of mediums such as charcoal, chalk and even paint to do some not-so-everyday drawings. Are you ready to explore? For more information e-mail Craig at wlmartboh@comcast.net

Days: Monday - Friday

101 Dalmatians! - Puppies and more puppies! How will they escape the evil Cruella de Vil? When the Dearly's Dalmatians have their first litter of puppies (fifteen in all), everyone is delighted. But their joy is shattered when the pups are kidnapped! The humans don't have a clue as to who the culprit is, but the smartest dogs in London are on the case, and on the trail of fur-loving Cruella de Vil, who will stop at nothing to have a Dalmatian fur coat! Students will have more fun than a litter of puppies bringing this delightful story to the stage.

Creative Dramatics for Pre-Schoolers

A great class to begin a child's young theatre study! This class is child-centered and helps each student to access his or her own creativity through movement, story dramatization, theatre crafts and use of costumes and props. This program is ideal to help children develop confidence, focus and self-assurance as they enhance their creativity and problem solving skills. A supportive, nurturing environment gives children the venue for developing social skills and a healthy release of emotion.

No News is Good News!

**When you register for any of our classes,
don't wait by your phone or mail box.**

The only time you will hear from us is: If there is a change in time or day
If the class is full OR If you send a self-addressed stamped envelope
So, if it's almost time for your class and you haven't heard from the
friendly staff at the Parks & Recreation department,
that's good news, it means you're in!

Clogging

Clogging is a true American dance originating in the Appalachian Mountains. It incorporates style and step from a variety of countries and cultures. Today, clogging can be done to any expression of music. In addition to combining a variety of steps and styles, it is also an excellent form of entertainment and exercise. We have a group practice in our curriculum as well. Anyone who has successfully completed the curriculum of Beginner I, Beginner II, and is looking for an opportunity to perform is eligible to sign-up for group practice. Call Kyla at 471-7923 or 714-0592 for more information and information about acquiring shoes or class eligibility.

International Folk Dance

Beginning and continuing level folk dances will be taught in two separate classes on Saturday. Beginning will focus on repetition and getting the basics. Beginning level dances (easy dances) from Europe, the Mediterranean area, and other areas will be taught. Continuing will focus on more challenging dances/step combinations from Europe, the Balkans, the Mediterranean areas, and other areas. A new dance will be taught each week, and students will be able to review and request their favorite dances. In both classes, there will be a focus on good exercise, socialization, and fun! Call Ruth Black at 765-385-2371 for more information.

Instructors: Ruth Black and David Carter

Location: Morton Center - room 101

Bare Bones Belly Dance

Bare Bones Belly Dance offers exposure to the varied styles of Middle Eastern Dance – popularly known as belly dance – while providing a strong basic belly dance foundation. Classes are offered at Morton Community Center to anyone 15 or older on beginner, improvement and troupe readiness levels, as well as specialty classes. Performance opportunities are offered through membership in Troupe Oasis, made up of students in Morton's Bare Bones Belly Dance classes and members of the drum circle, Oasis Drums. Your instructor, Mary Kat Lebo, has been involved in Middle Eastern Dance for over 35 years as a student, semi-professional dancer, troupe member/director and dance instructor. *Multiple class discount of \$5 may be taken for additional classes of Mary Kat Lebo's in the summer session after the full price is paid for the first class. The registration for the classes must be done at the same time to receive the discount. For information on the Bare Bones program contact Mary Kat at Shuvanibd@aol.com

ADULT ART

Acrylic, Pastel and Oil Painting and Drawing

The new softer realism, impressionism, color enhancement, and color harmony are all taught in this class; plus composition, basic drawing and perspective principles are also taught. Still-life set-ups are available. Each student works at their own speed to complete their chosen subject with the instructor's help. Bring your own photos or use the instructor's files for ideas; seascapes, landscapes, human and animal portraits, plus many other subjects. The instructor will supply acrylics and pastels for the first six weeks for a beginning student. Oil painters must bring their own oils. Students need to call the instructor at 474-2456 for additional supplies required prior to first class.

Living Graphic Novel

Living Graphic Novel is a multi-faceted and highly creative workshop presented by representatives of local theatre, visual arts and writing arts organizations. In this workshop, you will write and develop a short story and bring it to "life" through scenes made with actors, painted sets and framing devices in the style of graphic novels or comic books. The project will result in an exciting, (and perhaps interactive) live presentation of the story at the Mosey Down Main Street event on Saturday, August 14 in downtown Lafayette. Please e-mail Craig Martin at wlmartboh@comcast.net for more information.

Relief Printmaking

Relief Printmaking is an elemental process that creates dynamic images in black and white or color. It is the most direct of the print processes, allowing the artist to cut, ink and print an image in a short time with simple materials. It also emphasizes the relationship between the artist and the art matrix (wood block) and the idea of the "multiple" artwork. Students will prepare and carve blocks from classroom still lifes, abstract designs or other visual inspirations, ink and print blocks by hand with water based inks, and create both black and white and multi-color images. Please e-mail Craig Martin at wlmartboh@comcast.net for more information.

Lathi & Spinning Stick

Lathi is an ancient martial art from India. It uses a long staff and centers at the heart. Lathi is great fun, a good workout and easy to learn. Performed slowly, the rhythm has a meditative quality. Done at a faster speed, it is an excellent aerobic exercise. Call David at 765-564-2258 for more information.

How to Lower Blood Pressure and Lose Weight

Most people believe that a diet high in sodium is responsible for high blood pressure, yet that is only half the story. Learn what other nutrients play a much larger role in hypertension and where they're found in the diet. Also learn how to lose weight permanently without counting calories, fat or carbohydrates. If you have high blood pressure, be prepared to give your arteries a rest and possibly be able to discontinue your medication! Call Bronwyn Schweigerdt for more information at 510-830-4668. Bronwyn teaches nutrition seminars throughout northern California and is author of two books the most recent *Free To Eat: The Proven Recipe for Permanent Weight Loss* (2010).

Dao Yin Yang Sheng Gong

Dao Yin Yang Sheng Gong is a practice of exercise, meditation, self-healing, and self-defense with roots in ancient China. It is a combination of flowing movements and deep breathing techniques with repetition that lead to better mobility and balance. It is quieting and calming. It can be beneficial for everyone but especially those for whom vigorous exercise is a problem. You should wear loose fitting comfortable clothes and flexible shoes. Call Nancy at 296-7602 for more information.

Instructor: Nancy M. VanDoren, OTR

Location: Morton Center - room 204 Ages: 14 and older

Machine Embroidery Circle

Great project classes for those of you with home embroidery machines! Classes have a supply list and require advance preparation. Although the step-by-step instructions are written specifically for the Pfaff 7570, all makes and models of embroidery machines are welcome, as the projects themselves are by no-means machine specific! Call Sally at 742-4193 for more information.

Free Choice IX – Finish up an existing project or try something new! When you decide what you are doing, let me know so that I can bring appropriate samples and instructions, if I have them. For those of you with a 5” x 7” or larger format, this is a great time to try out a larger design!

Water Bottle Wrap – Make an embroidered cozy to wrap around your on-the-go water bottle. The cozy is “sew” simple, you will want to make lots of them!

Summer Placemat II – Embroider a design on clear vinyl to make these summer fun placemats!

Let the Sun Shine In! – You will need solar-activated thread to make this window-catcher that changes color.

Photography

Take Better Photographs: Composition Techniques for Photographers

For photographers of any level, learn how to use your camera to make consistently good photographs. This course helps students explore how to design a photograph, utilizing common composition techniques. Learn how to work with the elements in a picture and principles such as the rule of thirds and framing, to capture the pictures you have visualized. The class will then meet on Saturday morning for a field session to practice these techniques. The field session will be followed by an evening class session the following week for feedback of the students' work. Please bring your camera and camera manual to the first class. Call Glenn at 765-447-2462 for more information.

Working With Your Digital Camera

You will learn how to find and use all of the options and programs on your digital cameras and how to use them to take better pictures. We will also discuss compositional techniques to improve your photographs. The instructor works with each student to learn how to access the different parts of their camera's menu, and how to work with focusing, different program modes, zoom settings, resolution, compression, compensation, color, saturation, contrast, flash, and other camera capabilities. The second class meets at a field location on Saturday morning to work with our cameras in the field. In the third session, we will meet for an evening class session to get feedback about your work. You should already have a digital camera and should read the camera manual prior to the first class. You must be able to print pictures from your cameras for the feedback session. Class is limited to no more than 12 students to allow for individual attention. Please bring your camera, camera manual, an array of lenses, extra batteries, memory cards, (optional) tripod. Personal Empowerment and the Law of Attraction

You may have heard that we "create our own reality." How do our thoughts, attitudes and beliefs really affect what happens in our lives? This workshop is based on the teachings of New York Times bestselling authors Jerry and Esther Hicks, who were featured in "The Secret." We will focus on developing thoughts that are beneficial to us and help us to create the lives we want. This workshop is practical, and you will learn different techniques to apply each week. Call Karen at 446-7134, in advance if you have any questions.

Lighten Up and Lose: Positive Thinking and Weight Loss Support

Complement your weight loss program with positive thinking by adding healthy thoughts to your lifestyle. Most people who are overweight have habits of thought and behavior that deter them from achieving and maintaining the weight loss they seek. In this class, we will look at questions like: Are you determined to lose weight, or just wanting to be thin? What else—other than food—are you hungry for? How can you lighten your life? We will examine thoughts that run counter to progress, and how to work with the universal law of attraction seen in "The Secret" and taught by Jerry and Esther Hicks. This class is not a weight loss program, diet, or medical advice. Use this in conjunction with a physician-approved weight loss program as further inspiration toward success. Call Karen at 446-7134, in advance if you have any questions.

Basic Morse Code

Learn both the letters and numbers of Morse Code. Five characters will be taught in a one hour session, twice a week. Learn to retain the code signals by ear. Students will not learn how to send the signals. Sending Morse Code will be offered at another time. Please bring a notebook and two pencils. For more information, please contact Don Wolever at 269-7352.

Fine Print: Things You Should Know.....

Register Early!

Registering early helps us do a better job preparing our programs for the proper amount of participants. Most of our programs have a limit on the number of participants. We depend on your participation for a successful class. Early registration allows us to schedule the necessary sessions and prepare supplies and materials.

Supply Lists

Some of our classes require a supply list. Supplies should not be purchased until four business days prior the start of class. Most classes have a minimum number of registrants required to hold the class.

No Receipts Mailed

No confirmations will be sent. Assume you are registered unless you are notified. If you need a receipt, send along a self addressed stamped envelope.

Refund Policy

If we cancel a class, all fees will be refunded. If you cancel at least two business days prior to the start of class, you may receive a refund less a \$5.00 processing fee. Because decisions to maintain classes are based on enrollment at the first class, no refunds will be granted after the first class. To obtain a refund you must return your receipt to our office and sign a claim. The claim will be processed at the next regularly scheduled Park Board meeting.

***Sorry - NO Refunds
are given for Swim lessons.***

Facility Reservations

The group and contact person listed on the rental confirmations are responsible for all damages to City of West Lafayette property or equipment and for full compliance with the Department's rules and regulations. Failure to completely follow the rules and regulations may result in immediate suspension of the activity in the facility and the forfeiture of future facility rental privileges.

Scholarship Program

The Parks & Recreation Department provides a scholarship program to assist with fees on some children's programs for West Lafayette City residents unable to participate in recreational programs due to economic hardship. Call our office at 775-5110 for more information.
